May Trivia

Built in circa 2550 B.C. and towering over 480 feet above the plateau, what is the name of the largest of the Great Pyramids of Giza?

We will draw one winner (\$10 Gemini Excursions gift certificate) from all responses we receive through May 31.

March '20 trivia: The 10,023 foot shield volcano that forms more than 75% of the island of Maui is Haleakala. Thanks for playing, Judy!

A Friendly Note

Please note that a \$30 cancellation fee will be assessed to bus trips cancelled after the final payment date, with the remainder of the trip cost refundable to you less any unrecoverable costs to Gemini Excursions.

Vaccinations

Required!

Our upcoming bus trips to the Black Hills and Branson are with Diamond Tours, a trusted tour company I have been using for years.

Due to the pandemic, Diamond Tours now requires that all trip participants:

***Sign a Covid-19 Waiver of Liability; and**

***Provide a copy of their COVID-19 Vaccination Record Card (front and back) showing that they have been fully vaccinated (including second dosage, if required) at least 15 days prior to the departure date of the trip.**

At this time these rules apply to trips in 2021 only. We will have to wait and see what 2022 brings!

* —Ready to Travel Again?

Wow! This past year has certainly been unforgettable. The world has suffered incredibly sad amounts of death, job loss, isolation, anxiety and pressures of a kind we hope not to repeat any time soon. My hope for all of you is that your faith, family and friends have helped see you through and that we can all look back remembering this as a difficult time, yet a precious reminder of the things that really matter in our lives! (Zoom was great, but real hugs are better!) 😊

My husband, Mike, and I ended up taking several driving trips as the year progressed, even flying to Maui in January (-Lots of safety hoops required to get there!). We stayed several weeks in various ocean front properties. After cleaning each condo thoroughly upon arrival we felt pretty safe, still using masks and hand sanitizer everywhere we went. Being right on the ocean we were free to be outside and take lots of great walks along the beaches. —When life hands you lemons, make lemonade!

I hope you are ready to think about traveling again! Our Diamond Tours bus trips require that you've been vaccinated, which will likely be the case for overseas trips as well. Our trip to Circa '21 in October does not require vaccinations. Masks are a likely addition to all tours.

So, after 14 months of being without my job, I hope you'll help me 'get back to work', touring with you starting in September! I've missed being with my travel buddies!
